## GENERAL INFORMATION REGARDING SAVINGS PRODUCTS IN OTP BANK ROMANIA S.A OFFERS.

Minimum amount for O/N deposits is EUR 30,000, USD 30,000 or RON 100,000.

**Anniversary Deposit:** The customers who conclude a new term deposit in RON in the month with their day of birth, will receive 0.10% over the interest rate offered at counter. This offer is available only with "automatic deposit liquidation" option and cannot be combined with other offers!

**Deposit concluded through OTPdirekt service:** The customers who open a new term deposit through Internet Banking, Contact Center or SmartBank, receive 0.20% interest over the interest rate offered over the counter for deposits in RON. This offer cannot be combined with other offers (ex: anniversary deposit, deposit for retirees).

**Note:** the bonus mentioned above is already included in the interest rate presented in the table shown on the second page.

**Deposit for retirees:** Customers which have a package for retirees receive, when opening a deposit, 0.20% interest over the interest rate offered at counter for deposit in RON. This offer cannot be combined with other offers or discounts. The deposit can be opened through Contact Center service as well. The **bonus is valid as long as the customers have the package addressed to the retirees.**

**Term deposits addressed to clients from the Private Banking Group:** Clients from the Private Banking Group who conclude over the counter or through OTPdirekt a new term deposit in RON will receive a bonus of 0.30% over the interest rate offered at counter, a bonus of 0.10% for the deposits in EUR and a bonus of 0.20% for the deposits in USD! This offer cannot be combined with other offers.

Term deposits concluded with automatic rollover option are prolonged for the same period of time, with the annual interest rate practiced by OTP BANK ROMANIA S.A. on the rollover date, to which are added any interest bonuses, in force on the rollover date.

**OTP Bank Romania S.A. is participating at the Guarantee Fund for Banking Deposits (FGDB),** and their depositors benefit, by compensations payment, of guarantee of the deposits held, within the cover limit established by the law periodically, which is EUR 100,000 (RON equivalent) at the present time, for each account holder. This cover limit was established by the Law no. 311/2015 regarding the deposits guarantee schemes and guarantee fund for banking deposits, published in the Official Monitor no. 918 from December 11, 2015. According to the law, the „deposit” notion represents any credit balance, including due interest, resulted from funds held in an account or from transitory situations deriving from current banking transactions that should be reimbursed by the financial institution, according to the legal and contractual conditions applicable, including term deposits and savings accounts, and the notion „cover limit” represents the maximum level of the guarantee/ per depositor/ per credit institution, applicable according with article 61 paragraph (3) or, after case according with article 62.

Do not fall into the category of deposits, as they were defined, credit balances whose existence can only be proven by a financial instrument, as it is defined in article 2 paragraph (1) point 11 of Law no. 297/2004 regarding the capital market, as amended and supplemented, unless it is a savings product certified by a certificate of existing nominal deposit on July 2, 2014. More information can be obtained by accessing depositors document: „Information for depositors”. More details are available on the website: [www.fgdb.ro](http://www.fgdb.ro).

Starting with 01.07.2010, according to OUG amendment to the Law no. 571/2003 regarding the Fiscal Code, the tax on the incomes from interests accumulated from current accounts and saving products will be detained. Saving products include all sight deposits, term deposits, saving accounts or deposit certificates (regardless of their constitution day).

Interest rates are fixed and are annualized (percentage per year).
