**Anniversary Deposit:** The customers, who conclude a new term deposit in RON in the month with their day of birth, will receive 0.10% over the interest rate offered at counter. This offer is available only with "automatic deposit liquidation" option!

**Deposit concluded through OTPdirekt service:** The customers who open a term deposit through Internet Banking receive the interest rate offered at counter.

**Deposit for retirees:** Customers which have a package for retirees receive, when opening a deposit, 0.20% interest over the interest rate offered at counter for deposit in RON. This offer cannot be combined with other offers or discounts. The deposit can be opened through Contact Center service as well. The **bonus is valid as long as the customers have the package addressed to the retirees.**

**Term deposits addressed to Private Banking and OTP Privilege Banking clients:** Clients that contracted a OTPremium package or a OTP Privilege Banking package who conclude over the counter or through OTPdirekt a new term deposit in RON, EUR or USD will receive a bonus of 0.25% over the interest rate offered at counter! This offer cannot be combined with other offers.

Term deposits concluded with automatic rollover option are prolonged for the same period of time, with the annual interest rate practiced by OTP BANK ROMANIA S.A. on the rollover date, to which are added any interest bonuses, in force on the rollover date.

**OTP Bank Romania S.A. is participating at the Guarantee Fund for Banking Deposits (FGDB),** and their depositors benefit, by compensations payment, of guarantee of the deposits held, within the cover limit established by the law periodically, which is EUR 100,000 (RON equivalent) at the present time, for each account holder. This cover limit was established by the Law no. 311/2015 regarding the deposits guarantee schemes and guarantee fund for banking deposits, published in the Official Monitor no. 918 from December 11, 2015. According to the law, the „deposit” notion represents any credit balance, including due interest, resulted from funds held in an account or from transitory situations deriving from current banking transactions that should be reimbursed by the financial institution, according to the legal and contractual conditions applicable, including term deposits and savings accounts, and the notion „cover limit” represents the maximum level of the guarantee/ per depositor/ per credit institution, applicable according with article 61 paragraph (3) or, after case according with article 62.

Do not fall into the category of deposits, as they were defined, credit balances whose existence can only be proven by a financial instrument, as it is defined in article 2 paragraph (1) point 11 of Law no. 297/2004 regarding the capital market, as amended and supplemented, unless it is a savings product certified by a certificate of existing nominal deposit on July 2, 2014. More information can be obtained by accessing depositors document: „ Information for depositors”. More details are available on the website: [www.fgdb.ro](http://www.fgdb.ro).

Starting with 01.07.2010, according to OUG amendment to the Law no. 571/2003 regarding the Fiscal Code, the tax on the incomes from interests accumulated from current accounts and saving products will be detained. Saving products include all sight deposits, term deposits, saving accounts or deposit certificates (regardless of their constitution day).

Interest rates are fixed and are annualized (percentage per year).

The interest rates presented in this document will be applied for term deposits in the cumulative amount below 20,000,000 RON equivalent per client. For term deposits in the cumulative amount equal to or over 20,000,000 RON equivalent per client, the Global Markets Directorate within OTP Bank will establish the interest rates. These rules are applicable to all term deposits held by a client, regardless of the time of their establishment.
